

23. Oct 44

Dear Mr & Mrs Manley. —

On a beautiful Spring day like this — just guess who I would think of first. It is a certainty from the way it looks from here that we are on our way. Of course, it doesn't look quite as good in the city as it does at the shore, but it must still be wonderful.

I haven't been getting up home too often and consequently haven't called you. I had a letter (v mail) from John Macmill who is in England expressing hope in the N. N. L. success in 1944, sharing the wishes of a great many.

I trust things are well on their way and that you take a spare to drop me a note & say hello.

Sincerely,  
Jerry Kessler
